ENVIRONMENTAL STUDIES

Freshman students interested in environmental studies are advised to take:

Fall 2013

**Haverford**

**ENVS 101**  Case Studies in Environmental Issues  Jon Wilson
MW 1130-1pm  Shrp Aud  Joshua Moses
This class is required for the Environmental Studies minor.

**Bryn Mawr**

**ENVS B101**  Intro to Environmental Studies  Thomas Mozder
MW 1-230pm  Megan Heckert
A variation of the Case Studies class mentioned above

If a student is unable to take the class in their freshman year or is not successful in the lottery, they will have further opportunities to take it in their sophomore or junior year.

Students interested in environmental studies are generally advised to consider any 100-level class (or non-prereq class) from the Environmental Studies elective course list, which can be found on the Haverford College Environmental Studies web page:
https://www.haverford.edu/environmentalstudies/

Please contact Helen White (hwhite@haverford.edu 610-795-6402) with any questions.
