WOMEN’S CENTER (610) 896-1292

Located on the second floor of the Whitehead Campus Center, the Women’s Center serves as an informal meeting place for students, faculty, administration, and staff.

The Center offers special programs, educational, cultural, and gender related events to help alleviate the gender myths and assumptions people make about each other. The Women’s Center library has books, articles, and other information for, by, and about women.

Through the events sponsored by the Women’s Center, a wide range of topics including sexuality, gender, spirituality, education, ethnicity and race are addressed in a fun and supportive way.

The Women’s Center encourages the entire bi-college community to drop by but especially encourages student and faculty groups to utilize the space for meetings, gatherings and other functions - all are welcome.

The Women’s Center is staffed by student assistants (SAs). The staff this year are: Gavriella Fried ’14, Farida Essa ’14, Hannah Klein ’15, Abi Moeller ’15, Caleb Worblewski ’15.

Interns are Maddy Durante ’16, Hannah Figa ’16, Marie-Annett Bernard ’15 and Marilou Allen, Director.

Most of the staff are trained Sexual Assault Student Assistants (SASAs), available to help members of the community needing their support.

Their beeper number is 484-571-2775 (24 hours daily).
